Join us on a very special train sponsored by the Tuolumne Historical Railroad Association, Inc. (THRA), a California 501(c)(3) non-profit corporation dedicated to local railroad preservation projects.

The *Tuolumne Preservation Express* is a rolling party that will travel through the beautiful Mother Lode countryside west of Jamestown on a two-plus hour trip. Wine, cheese, and munchies provided by area restaurants are included in the ticket price (non-alcoholic beverages will be served to passengers under the age of 21). Beer and soft drinks will be available. Sonora's acclaimed Black Irish Band will be on board, strolling through the coaches, playing its most popular songs. Order your tickets today to avoid disappointment!
