All participants are encouraged to bring Tuolumne County railroad modeling projects, documents, artifacts, and photos to display during the morning sessions. Items may also be offered for sale or trade, but please limit what you bring to items directly related to local railroads. There will be a time on the agenda for “show and tell” and “for sale” item announcements

A Pizza Lunch at the Seminar Site will be available about mid-day at no additional cost

We are asking you to register in advance so we can plan for space and food needs. A \$15 donation is requested to defray costs associated with this gathering. (Includes lunch). Please send a check payable to Glenn Sutherland with your registration form. Registration at the door will be \$5 higher.

If you have ideas of things you would like to see included in the discussions or field visits, please let us know. We will confirm registrations a week or two in advance of the event with more details on planned activities. Thanks for your continued interest - we look forward to seeing you in April.
